

Side event : CIFOR-CIRAD-GIZ-Cameroon: Informal Round Table in order to initiate a process of discussion and south-south exchange experiences on a theme relating to forest policy with interested stakeholders: **Theme: Forestry Reform in Indonesia Cameroon. Origin? Links to REDD + strategy?**

Day 17 April Protocol at the Congress Hall, Yaounde, Cameroon

One hour; 3 questions / each question less than 20 minutes:

- A question we prepared together before is given.
- Prof Agus Setyarso will present some answer from Indonesia (3-4 slides, less than 5 mn)
- Olivier Lyebi will re-phrase to ask a specific question adapted to AC context (2 minutes)
- Denis Koulagna will answer for Cameroun (5 minutes)
- Reactions from the floor (7 minutes)
- Philippe Guizol is the time-keeper
- Synthesis Philippe Guizol : 3 mn.

	Question for prof Agus Setyarso	Question for AC
1	What is the forest reform which is happening in Indonesia? What is the change of vision behind this reform?	What is the forestry vision in AC/ Cameroun? How to turn the vision into reality?
2	What was the origin of forestry reform in Indonesia (goal, motivation, process, future trends)?	What are the trends in AC ?
3	What are some of the key forestry challenge in Indonesia today ? Role of REED+, FLEGT, PSE ?	Is it different in AC ?
