

RE: CFI Preparatory Funding for Republic of Cameroon's National Investment Framework

The undersigned represent that the attached document constitutes the above-referenced proposal put forward as a request for funding from the Multi-Partner Trust Fund for the Central Africa Forest Initiative (the CFI MPTF), administered by United Nations Development Programme, acting through its Multi-Partner Trust Fund Office (the MPTF-O).

The attached proposal of **US\$ 1,000,000** consists of two portions in addition to the cover sheet:

- (i) one submitted by the Government of the Republic of Cameroon, namely the section on "Country Context and Coordination," including Parts A and B and Table 1; and
- (ii) one submitted by the International Bank for Reconstruction and Development and the International Development Association (the World Bank) representing **US\$ 542,000**, namely Annex 1.
- (iii) one submitted by "Agence Française de Développement" representing **US\$ 458,000**, namely Annex 2.

The signatures below refer to the submission by the Republic of Cameroon, to the submission by the World Bank and to the submission by Agence Française de Développement, each for their respective portions.
