Session on the State of Protected Areas

4 pm to 6 pm

Moderator: Patrice BIGOMBE LOGO

Reflexions on the content, the format and collaboration for next COMIFAC-OFAC publications in collaboration with RAPAC (Network of Central African Protected Areas) the BIOPAMA program.

Objectives

- To select the format and the structure of the document
- To identify and prioritize the main themes to discuss
- To determine governance for the publication of *State of Protected Areas/State of the Forests* (who shall take editorial decisions and how shall it be done; and to identify the first main authors of chapters and co-authors who wish to participate)
- To identify the work method and draft a roadmap
